General Fair Information

All exhibits at the Montgomery County 4-H Shows are open for public viewing.

- A. **Parental help-** is sometimes needed with the 4-H project but be reminded that most of the work must be done by the 4-H member. Also, 4-H members are on his/her honor to show a project completed in the last 4-H year (9/1/23 to the present). Refurbished projects from past years will not be accepted.
- B. **Exhibit rules-** specific rules for each project are listed in this show book. In most cases, the exhibit listed is one of several activities taken from your project manual. Be certain to follow the rules listed in this handbook exactly, even if they differ from your project manual. 4-H show exhibits which do not meet these guidebook rules will not be eligible for state fair.
- C. **Number of entries-** some projects allow you to bring more than one exhibit per project; others allow only one. Remember to select just one choice unless the project rules specifically say you can prepare more than one. In the Visual Arts project, you may enter a separate exhibit in any or all, of the 11 Visual Arts sub-divisions, but you may only bring **one exhibit** per sub-division. **Please note!!** Youth may only enroll in 1 level of a project. Youth may bring one entry per class. For example, a youth may bring 101 Cereal Bars, 101 Coffeecake, and 101 Cookies. However, a youth may NOT bring 101 Cookies and 201 Biscuits.
- D. **Size-** table displays are limited to no more than 2' wide x 15 inches deep. There is no restriction on the height of displays but exhibits over 4' tall must sit on the floor. Maximum poster size is 22" x 30".
- E. **Attire-** dress casual and be well groomed. Members shall not wear clothing with writing or symbols which: promote drug, alcohol, or tobacco products; are sexually explicit or suggestive.
- H. **Attendance-** 4-H members are encouraged to exhibit their own projects at the 4-H shows. Members unable to exhibit or who have a conflict must contact the Extension office by May 30, 2024. Parents and leaders may not exhibit a 4-Her's project. If a member is unable to attend for another 4-H function, conflict or employment, please complete the form on **page 9**. - I. **Conference judging-** 4-H members will participate in conference judging at the Montgomery County 4-H shows and Illinois state fair. Conference judging is a one-to-one communication between the member and judge, as well as on the project. Below is a sample of the types of questions you may expect to be asked: What is your name, age, and number of years in this project? Why did you enroll in this project? What did you like most or least about this project? What was the easiest and hardest thing about doing this project? What gave you the most problems? If something failed, be honest. Who helped you with your project? How did you make this? Or, how did you care for this? What kinds of equipment did you use?
- J. **Parents-** are not allowed to assist the 4-H member at any time during the conference judging. Only the superintendents and junior superintendents will be allowed in the judging areas along with the 4-Her being judged. The judge's decision is final unless it has been determined that an exhibitor has not followed the guidelines or rules for that exhibit class. All exhibitors, leaders, parents, and spectators are expected to show respect and courtesy to judges and superintendents. Violations may result in disqualifying the exhibitor. Exception: Youth identified by superintendent or staff as needing accommodations may have another person with them during judging. Please notify Extension staff by May 30 if you feel your child may fall into this category.
- K. **Awards-** projects in non-livestock classes will be scored against a score sheet which is available to anyone upon request from the county office. Based on that score, each exhibit will receive either a blue, red or white ribbon. Projects earning a blue ribbon "met the standards" in most categories of the score sheet. Projects "needing some improvement" will receive a red ribbon, and projects "needing much improvement" will receive a white ribbon. Best in show will be awarded to an exceptional project when there are 3 or more projects in a class.
- L. **Cloverbuds-** Cloverbud club members will only be allowed to enter in the Cloverbud class. Cloverbud exhibits are not eligible for premiums.

M. **Grievances**- the judge's decision is final. However, a written protest may be filed to the protest committee by the 4-H member within 72 hours of the show's conclusion. Protest must be signed by the member and their parent and must be accompanied by a \$10 deposit. The deposit will be returned if the decision is sustained. All money not returned will be donated to the Montgomery County 4-H Foundation. The protest committee shall be composed of a show superintendent, extension staff member and a 4-H committee chairperson.

N. **Premiums**- in the past each county has been provided ag premium money through the Illinois Department of Agriculture however, some years due to state of Illinois budget constraints this may not be possible. This means there may not be premium money at the county and/or state level. Please read the following disclaimer:

Clothing 1-3

All exhibits entered in Clothing 1-3 will be judged based on their construction and fit (if applicable). Exhibitors bringing garments should not wear their garments when they arrive for judging. The garment will be reviewed by the judges for construction first. Exhibitors will be asked to change into the garment as the second step of the judging process. If the garment was constructed for another individual, that individual must be present to wear the garment for the judge. (Only the exhibitor who made the garment is eligible for ribbon and premium.) Construction and appearance will both be considered during judging. If a pattern was used to make the item, the pattern instructions, either written or electronic, are to be included with the exhibit. Exhibit tags should be attached to the garment, not to the hanger.

Members wishing to exhibit knitted items should enroll in Visual Arts Fiber (if original) or Visual Arts Fiber Non-Original AGES 8-10 ONLY (if made from a pattern and youth is ages 8-10). Youth over age 10 who use a pattern should enroll in Visual Arts Heritage Arts.

If exhibiting quilts in the Clothing area, all work on the quilt MUST be completed by the 4-H member. You cannot exhibit a quilt that was quilted by someone else. - Nature 50343
- Paper 50344A
- Paper 50344B

- Glass & Plastic (2 total from 50340a, 50340b, 50340c)
- Scrapbooking (2 total from 50345, 50346, 50347)

Exhibitors must be enrolled in the Visual Arts project category in which they are exhibiting. Exhibitors are encouraged to date the project when it is made. Exhibitors must be able to carry or cart their exhibits across the fairgrounds from the parking lots. All visual arts exhibits are evaluated using a visual arts rubric which takes into account correct use of design elements; craftsmanship; and creativity.

Articles exhibited must be an original design created by the exhibitor (except in Heritage Arts, which may follow a pattern, AND Fiber-Non-Original Ages 8-10 ONLY). Copyrighted or trademarked designs are not acceptable; this includes team, school logos and/or characters from movies such as Mickey Mouse, Iron Man, etc. Kits and preformed molds are not considered original and are not acceptable in any Visual Arts Class. Combining parts of different patterns (pictures, photographs, images from the internet or a magazine) with the member's own ideas can result in an original design, but simply changing the color, pattern and/or size of a pattern does NOT make the design original. This also applies for ideas found on a site such as Pinterest. If you see something on Pinterest that you like, you can use that idea as your inspiration, however, create something which is fundamentally different. It **MUST NOT BE AN EXACT REPLICA OF** something the judge can search for and find on Pinterest. The exhibit may combine parts of different patterns and/or ideas with the concepts of the member, however changing the color or changing the size of the item or pattern used does NOT make it original. If you create an exact replica of what you see somewhere else, it is not your original design. If a photo, sketch, or other idea source was used, submit it with your entry, firmly attached to your exhibit. Be prepared to explain how and where you got the idea for this project.

GENERAL REQUIREMENTS

These Exhibition Health Requirements apply to all livestock present at the fair including those animals that are not entered in competitive events.

1. Exhibitors are required to familiarize themselves with all rules applicable to their exhibits. All out-of-state animals shall require an entry permit. Entry permit numbers are available online at <https://entrypermit.agr.illinois.gov/Login.aspx>.
2. All animals, except as noted, shall be accompanied by a Certificate of Veterinary Inspection (CVI) which shows that the animal meets all health requirements for the State of Illinois. CVI's shall be made available to Bureau of Animal Health Personnel on request. If an official electronic CVI is utilized, the exhibitor should be able to log on and show Bureau of Animal Health Personnel the completed CVI.
CVI means a legible record made on an official form from the state of origin which has been issued, signed and dated by an accredited veterinarian and which shows the name and address of the animal's owner or exhibitor and the results of all required tests or vaccinations. A CVI shall list only one animal identification per line; shall be presented on the form on which it was initially issued; and shall not be corrected, changed or altered in any manner.
3. All animals shall be officially identified. The animal(s) official identification shall be recorded on the CVI.
Animal identification number (AIN): A numbering system for the official identification of individual animals in the United States that provides a nationally unique identification number for each animal. The AIN consists of 15 digits, with the first 3 being the country code (840 for the United States or a unique country code for any U.S. territory that has such a code and elects to use it in place of the 840 code).
4. If animals are from tuberculosis accredited, brucellosis certified, pseudorabies qualified, or brucellosis validated herds, the identifying herd number(s) along with the date of the last herd test(s) shall appear on the CVI.
5. CVIs for out-of-state livestock shall be void thirty (30) days after issuance.
6. CVIs for Illinois-origin livestock shall be void ninety (90) days after issuance.
7. All livestock shall be subject to examination upon entry to any Illinois fair or exhibition. Any animal showing evidence of infectious, contagious or communicable diseases shall be immediately withdrawn and held in quarantine at the owner's risk and expense until properly treated and recovered, or until the animal is released to return to the owner's premise.
Any livestock infected with scabies, mange, active lesions of ringworm, soremouth, or multiple warts which are easily visible without close examination shall not be permitted to exhibit and are subject to quarantine or removal from the fairgrounds. Sheep and goats with caseous lymphadenitis as evidenced by draining abscesses shall not be exhibited and are subject to immediate quarantine or removal from the fairgrounds.
In the event of the suspicion of or diagnosis of a foreign animal disease, emerging animal disease, or other actionable disease, animals may be subject to quarantine on the fairgrounds until such time that it is determined that the disease is no longer a threat.
8. Illinois Department of Agriculture personnel or designee may collect blood, tissue, milk or urine samples from any animal being exhibited and/or raced at any Illinois fair to test for the presence of illegal drugs or banned substances. Examination techniques, such as ultrasound, may also be used at anytime while the animals are on the grounds of any Illinois fair or exhibit.
The Illinois Department of Agriculture or designee may collect urine, blood, tissue or other test samples from exhibition animals at the time of slaughter.
9. All exhibitors of animals at any Illinois fair or exhibition shall comply with the provisions of the Illinois Humane Care for Animals Act. If violations are observed, the animal(s) will be excused from exhibition and ordered removed from the grounds with all awards being forfeited.
Any practice or deviation from normal, accepted care, including physical, medical or mechanical application, shall constitute a violation of show rules and may result in the animal(s) disqualification and removal from the fairgrounds.
